

STUDENT COMMITMENT TO CHRISTIAN LIFESTYLE

Sierra Lutheran High School is an academic community and a Christian faith community. We are committed to excellence in education and faith in God’s redemptive love through Jesus Christ, whom we confess to be the one Lord and Savior. We believe that all people are called into a personal relationship with God through faith in Jesus Christ, and we also believe that faith is lived out in daily life.

I understand and accept the statement above, and as a student (and parent(s)/guardian(s) of a student) at Sierra Lutheran High School I am committed to personal growth through education, participation in worship, and a lifestyle that is consistent with the Christian faith.
